

IF IT HAPPENS IT'S HERE

CONVENTION OF UTAH SPORTSMEN

One Called by Commercial Club
to Discuss Fish and
Game Laws.

That the sportsmen of the state, from one end to the other, are alive to the needs of better fish and game laws, and the enforcement of the same, was only too evident at a meeting held at the Commercial club last evening. It was by far the most representative meeting held so far and representatives from a number of the counties outside of Salt Lake were present. It developed early in the meeting that some of the outside delegation were there only to protest against the efforts of the Salt Lake sportsmen to secure better legislation. Not that many of them did not agree with the Salt Lake sportsmen in what is needed, but the old cry against Salt Lake county was more important to them than anything else.

After an argument lasting fully two hours Fisher Harris cleared the situation by having a resolution passed for a convention of sportsmen under the auspices of the Commercial club. To show Salt Lake's willingness to meet the outside counties more than fairly, a resolution was passed to the effect that the county commissioners of every county in the state be asked to designate three delegates to represent that county and that the various sporting organizations of the state be allowed two delegates from each county.

Some of the outside delegates were not in favor of allowing more than three delegates from each county and did not wish to allow the sporting clubs any representation at all, and from their arguments one was led to believe they thought the farmers should be the real persons who should frame the law for the sportsmen. Several representatives of the sporting clubs were present and fought for representation. The fact was brought out that Salt Lake county paid more than one-fourth of the entire receipts into the fish and game funds, and in the interest of harmony the Salt Lake contingent, which was greatly in the majority, consented to go into the convention with an equal representation with the smallest county in the state.

Although the meeting was called to discuss the proposed fish and game bill already prepared by State Warden Cronar, this was finally sidetracked until a bigger and more representative state meeting could be held. Those present all seemed to agree that it was up to the sportsmen to get together and combine on one good bill and then ask the legislature to pass it.

It is believed that this will be accomplished by holding a convention in which every county in the state, without regard to size, population or percentage of sportsmen, can have an equal voice in the matter. The cost for the meeting will be made today, and the commissioners will be asked to name men on the committee who know something about fish and game. It is believed this will be the largest meeting of sportsmen ever gathered together in the state and that it will have the effect of showing the legislature that the fish and game question is one of vital importance in this state.

SMITH AFTER TIPPETS.
F. L. McDonald, the fight promoter of Rock Springs, writes that he would like to have Jack Tippets come over there and meet a man he has in view. The fighter in question is Ben Smith, a colored middleweight. McDonald says the town is ripe for a good fight, and he would like to make a good piece of money by beating Smith.

SAVAGE AFTER BRENDA YORKE

Owner of Dan Patch Tries to
Secure Champion Pacing
Mare of Season.

M. W. Savage, proprietor of the International Stock Food company of Minneapolis, and a horseman of considerable prominence, gained through the possession of such great horses as Dan Patch, 1:55 1/4, world's champion pacer; Crescens, 2:02 1/4, world's champion trotting stallion; Arion, 2:07 1/4, whose record for 2-year-old trotters of 2:10 1/4 to high wheel sulky has never been beaten, besides other horses of note, has, through his trainer, John Hersey, made an effort to lease the champion pacing mare, Brenda Yorke, 2:05 1/4, for three years for breeding purposes.

For some time Mr. Savage has been quite sweet on Brenda Yorke and he figures that she would make an excellent mare to mate with the champion side-wheel of the world. Brenda Yorke is bred along precocious lines and that, together with her racing ability and great speed, is what makes Savage so eager to lease her.

Brenda Yorke swept the grand circuit in 1906 in the 3-year-old division after losing her first race at Cleveland. Commencing at Buffalo she went straight through to Lexington and cleaned up a number of well known pacers in the leading races at Lexington, Hartford, Columbus and Lexington, as well as some other stakes at other places, and secured a record of 2:08 3/4. After a year's let up as a 4-year-old Brenda Yorke was started last year at Detroit during the week of the Dan Patch, and she won two races and reduced her record to 2:05 1/4, and later at Columbus clipped another quarter of a second from that mark.

Brenda Yorke is a daughter of that sire of futurity winners, Moko, while her dam is Grace Tipton, by Simmons, so that it is only to be expected that the owner of Dan Patch should strive hard to secure her for breeding purposes. The crossing of such blood lines as Joe Patchen, sire of Dan Patch, Moko and Simmons should produce a foal of sterling worth, and that is just what Mr. Savage thought when he wrote to Vance Nuckolls to find out if he could lease her for three years.

Nuckolls has given Brenda Yorke all of her training. He understands her thoroughly, and is confident that she will prove a better race mare next season than she was in 1908. In view of that fact, Nuckolls will reply to Mr. Hersey declining to lease Brenda Yorke to the breeding ranks just yet. Nuckolls believes that next season she will reduce her record somewhat, and until that time she should not be taken out of training.

MATCHES FOR JOHNSON.

National Sporting Club of London
Busy in Matter.

London, Jan. 14.—Manager Bettison of the National Sporting club said tonight that he had been endeavoring to arrange fights between Jack Johnson, the heavy-weight champion, and other aspirants for the championship, both American and English. He could not, however, mention names until the matches had been clinched, as he would invite the competition of other clubs by doing so.

With the exception of Johnson's fight with Sam Langford of Boston, absolutely nothing had been arranged, not even the date. Fitzpatrick, the manager of Johnson, has written to Bettison just yet.

London some time in February, but Bettison did not expect him before the end of March. Johnson's theatrical engagements, both Johnson and Fitzpatrick had said they desired to make engagements with the National Sporting club.

HIGH SCHOOL GAMES.

First and Second Girls' Teams Play
Interesting Basketball.

The University and the Salt Lake High school met in a practice game yesterday at the "U" team won by a score of 26 to 18. Just before the game the first and second girls' teams of the Salt Lake High school met for the first time this year and played an interesting game.

HYLAND MEETS M'FARLAND

Is a Ten-Round, Big Glove, No Decision
Affair at Los Angeles.

While Pete Sullivan and Cyclone Thompson are battling away, local fight fans will also be interested in the fight at Los Angeles between Dick Hyland and Paddy McFarland. This contest is one of those ten-round affairs with big gloves and no decision, which so often prove a disappointment as far as the public is concerned. There will not be the interest in the outcome, therefore, that there would be if the men met under other conditions.

As McFarland is already matched to meet Young Otto and the fight is already staged, it looks as if there was a well defined understanding that he will not lose. Hyland is a popular favorite in Salt Lake, but for years was nursed by Sammy McClinton and not given a chance to show what he could do. For this reason he is still an unknown quantity under fire.

At Los Angeles.

Los Angeles, Jan. 14.—The biggest betting coup ever attempted in the west was spoiled when Lady Irma, the 1 to 2 favorite, ran away in the fourth race at Santa Anita park today. She was supposed to be in a soft spot and thousands of dollars were bet on her at 1 to 2. She galloped along, clear to the post, but wheeled and ran away one mile and five furlongs, ruining whatever chances she had. When the start came she was off last, and was practically left at the post, finishing lengths behind her field. The race was won by Bemy, a two favorite, the seven furlongs, selling—Jon Gaiter, 14, (Trubel), 11 to 1, won; Jane Laurel, 10, (Archibald), 9 to 1, second; Solus, 10, (Shilling), 8 to 1, third. SULLIVAN WILL TOUR THE WORLD

Grand Old Man of Ring on
Farewell Trip—Will First
Cover West.

(Special To The Herald.)
Boston, Mass., Jan. 14.—John L. Sullivan leaves Sunday night for a world tour that will include all the English-speaking countries, as well as many continental places where the fame of the one-time champion is as well known almost as it is at home. Plans for the trip, which have been under way for some time, were completed yesterday.

This means that when Sullivan completes his engagement here Saturday night it will be his last public appearance in Boston for many years and possibly the last time he will ever be seen in his home town with the gloves on. Sullivan, it is known, has had for some time a longing to let up on the strenuous work incident to his theatrical engagement and to settle down on a small farm and enjoy the rest of his life. Leaving the money he has saved during the five years since he took his firm clinch on the front seat of the water wagon, Sullivan will go direct to Seattle and will tour the coast cities, later he will leave for Australia, through which Sullivan will pass on his way to the coast.

UNIVERSITY TAKES UP THE EMIGRATION PLANK

The athletic council of the university decided at its regular meeting yesterday that the university should agitate the emigration plank and the management of the Colorado colleges asking them to join in the movement. This is a much-discussed plan in college athletics at present, and the athletic council of the university has decided to take part in it. While the university authorities are in favor of the plan, it is impossible for them to adopt it unless the other colleges with which the university competes will do the same.

A communication was received from Denver U asking for a football game and track meet next year, but no action was taken on the matter. The management in the Yukon expedition, which will be held this year at Seattle, has written the Utah management to bring the two teams here this spring to compete in the all-western track meet, which will be one of the features of the exposition.

JUNIOR LEAGUE FORMED

Another Meeting of Basketball Teams
Will Be Held to Complete
Organization.

Eight teams were represented at the meeting of the Junior Basketball league at the Y. M. C. A. last night and much business was transacted. Governing rules were adopted, officers elected and a meeting scheduled for Monday night, Jan. 18, at 6:45, in Physical Director Hoffer's office. All teams desiring to enter the league must be represented at this meeting, as final organization will be effected and a schedule of games adopted.

An entry fee of \$2 will be required from each team, which will be used in the purchase of a big trophy shield. The league has money in the treasury from the past season's work, so expects to put up something for the competition.

Officers were elected as follows: President, J. G. Hoffer, Y. M. C. A.; secretary-treasurer, James Moss, Granite high school.

LEHI IN LEAD FOR TITLE

Y. M. C. A. Will Play High School
Champs Match Game Tomorrow.

(Special To The Herald.)
Lehi, Jan. 14.—In the series of league basketball games for the state high school championship, the game between Lehi and Springfield, which should have been played tomorrow evening, has been abandoned, Springfield having forfeited the game. In place of this game, however, the Y. M. C. A. team will come down Saturday evening and play their last game prior to leaving on their Colorado trip.

Three weeks ago the Y. M. C. A. team played Lehi, the score being 33 to 22 in favor of the Christians. The latter team will bring their star center, Hoffman, this time. Lehi fans have promised to give the school \$25 if they defeat the Salt Lakers, and they will make a supreme effort to get the extra basket they lacked last game. The standing of the several teams of the southern division in the state high school basketball league for the state championship is as follows:

Teams.	Won.	Lost.	P. G.
Lehi	4	0	1.00
Pleasant Grove	2	4	.33
Paxson	1	1	.50
Manti	1	1	.50
Heber	1	2	.33
Springville	0	4	.00

COLORADO SCHOOL SPORTS

Denver U. Takes One of Colorado Aggies' Star Athletes.

Denver, Jan. 14.—Jack Nelson, the Aggie track star who made such an unusual showing in this state last spring and later in Chicago at the big college meet, has entered the University of Denver, and expects to participate in intercollegiate track and field sports the coming spring as the local college's representative. Nelson on the other path is without an equal in this section of the United States, and modestly says: "Yes, I have a ten-second record, but would like to make it less than that." The Aggies hated to lose Nelson. He felt that as Denver was his home and as he had a North Denver High school boy, he could do nothing more loyal to ties of home than to enroll at Denver university.

CREBS REMAINS AMATEUR.

Will Not Turn Professional This Year at Least.
"Musty" Crebs, the local track amateur, says he has no intention of turning professional this year. It has been hinted around that Crebs would join the pro ranks, believing he could make good with the faster men. Crebs is now rated as one of the best amateurs in the country, and stands a good chance to win the amateur championship this year. For this reason his friends are advising him to stay with the Simon-pure for another season at least.

WEEKS NO MATCH FOR ABE ATTELL

Featherweight Champion Easily Holds His Title—Fight
Lasted Ten Rounds.

Goldfield, Nev., Jan. 14.—Abe Attell easily retained his title to the featherweight championship of the world by knocking out Freddie Weeks in the tenth round, at the Goldfield Athletic club.

Weeks fought gamely, but never had a chance to win. His blows lacked the steam necessary to do any damage to the champion, who came out of the battle without a scratch. Eddie Graney of San Francisco officiated as referee, and the boys put up a clean fight in every way. Both Attell and Weeks were well within the weight limit of 125 pounds.

Attell opened the fighting with a right swing to the head, and ended it in the tenth round with a series of vicious swings to Weeks' head and jaw, which staggered Weeks to the ropes. Attell followed with a right cross to the jaw, putting Weeks down and out in one minute after the tenth round without a wince or stagger. In the third round Attell opened Weeks' left eye, which bled hard throughout the rest of the battle, and worried Weeks perceptibly.

Sullivan Reaches Pocatello.
Pocatello, Ida., Jan. 14.—Pete Sullivan of Fall River, Mass., who will meet "Cyclone" Thompson at Sycamore, Ill., in a twenty-round contest here tomorrow night, arrived this evening from Salt Lake. Fight fans in the west are apparently unable to do up this contest. Both men are in the very pink of condition and will fight fast from the top of the game. The "Cyclone," who is priming up for a meeting with Paddy McFarland and with Battling Nelson, greatly desires to hang Sullivan's scalp on his hip, while Sullivan, on the other hand, is out for a reputation himself. The bout here will attract followers of the fight game from all parts of the northwest.

PETE AND JOHNNY MEET TONIGHT

Local Fight Fans Will Anxiously Await Results From Pocatello.

Unless all signs fail, the fight fans of Pocatello are due to see a great battle tonight when Pete Sullivan and Cyclone Johnny Thompson meet in a twenty-round contest. These men have met twice before and each battle was well worth seeing. They are men of class in the fighting world and while neither man is a champion, they are both in a class far the top.

Thompson will probably enter the ring favorite and should do so under the conditions. All during the training friends of Pete thought the Salt Lake boy had more than an even chance, but the injury to his eye received on Wednesday lessens his chances to win. Pete's good physical condition may carry him through anyway, but there is no denying the fact that the bad cut will injure his chances to win.

From the talk heard around the city yesterday there will be quite a number of Salt Lake fans up to see the contest. Oden will also be represented as the fight fans there think this Thompson boy is one of the best in the business, and he has made a number of good fights in the junction city.
